Modern & New Unique

Simplicity is the key in TRUSOL design. We minus the details that over exaggerate. We were concerned about the use of bathware. The proportion and the slope of the wash basin to make them well maintained. The shape and form of the bathtub that suits ergonomics of each individual. All of these details make us different, and describe us as an ideal of *'Less is More'*

ความเรียบง่าย เป็นหนึ่งในหัวใจหลักในดีไซน์ของ 'ทรูโซล' การตัดทอนรูปทรงรายละเอียดต่างๆ ที่ไม่จำเป็นออกไป แล้วคำนึงถึงประโยชน์ใช้สอยเป็นสำคัญ สัดส่วนที่พอดีกับการใช้งานความโค้งมนของอ่างที่พอดีกับสรีระ ความเรียบง่ายที่เอื้อต่อการใช้งาน วัสดุที่มีความทนทาน ให้ผิวสัมผัส เรียบเนียน นุ่มนวล ความพิถีพิถันในรายละเอียดเหล่านี้ทำให้ชิ้นงานของ ทรูโซลมีความโดดเด่นและแสดงถึงตัวตนของทรูโซลที่ถ่ายทอดความ *'น้อยแต่มาก'* ออกมาได้อย่างชัดเจน
